If you're bored with high-quality graphics games like PUBG Mobile, you can change your sense of this funny game. Simple gameplayCan be said to play friends Toss wrapped in two words in time for touch. After the first touch, your character is throwing in the air by muscle or some gladiator that I haven't found yet. When you fall, keep touching the screen until the muscular dog continues to throw you in the air. Keep repeating like this, next shot. Be higher than the previous throw and you will also get more points. It sounds silly, but this is the game your father used to make when I was a little kid. Of course, I can't fly as high as in the game. But in fact, we had a very happy time. Have you ever been like this? Fly into space, defeat Oss, all the laws of physics that we know or don't know. Not only fly ing high, but you can also fly as high as a 30-story building and even fly into space, bypassing the law of global gravity. Explore the solar system, galaxies, cosmic black holes, stars and search for jedi, ... Without the need for a spaceship. All it takes is a muscular man with a strange hobby to throw others into the air. But be careful! Just an incorrect touch, the main character of the game lies directly on earth from a distance of 10 million light years. The upgrade characterthe only you can perform in Buddy Toss is a character upgrade. After the upgrade, your character can fly higher after each throw. How do we do that? After each game, the game will reward you with a number of stars. Use this star figure to upgrade your character in Store.besidess, you can buy fashion accessories for characters such as clothes, hair, glasses, shoes, ... There are 51 costumes and 32 accessories inspired by familiar characters like Darth Vader, Jedi, Spiderman, Batman, ... DesignIn in terms of graphics, Friends Toss is designed in a very funny cartoon style, bright colors. The way you mimic everything can make you laugh. As you fly up in space, you can feel like the way Ant-Man is in the quantum world, where there are a lot of images and abstract colors. Plus that the cries of characters when the very funny drops mod APK version of friends Tossmod features starsUnlimited: besides the goal of conquering new heights, many players want to own beautiful skins. Genre: Casual Version: 1.3.5 Developer: Carigames Requirements: Android 4.0.3+ Update Date: 12.12.2020 Publishdate: 03.03.2019 Rating for: 7+ Years Friends A.A.P.B. (Money) – Arcade Project with Endless Gameplay and A Large Number of Characters. There is no time to think because the key to success in this game is a precise and quick click on the screen. As in Super Toss Turtle Mare, you need to click to launch the character away. In our case, he would be a dirty man constantly being thrown out by a bully. The more accurate your click, the higher the results, and therefore the performance of the game. Thus, to succeed, you must throw the high lad, and when it is almost in your hands, you need to click again. At first glance, it seems that you can not think of a more direct task, but gradually the oversized man gets tired, and throwing can be a failure. When you save the required amount, you can improve some of its properties or even unlock a new character to play, which will be much healthier. Despite the hard character, the app hooks with live images, funny takeoff of heroes, and inside the game store. There are also a lot of very convenient control positions, which allows to be mastered play even by smaller players. Download the hacked version of Friends Toss Hack on Android and get a nice bonus. A lot of money mod will open you endless resources to upgrade the acquisition of new heroes and chips. Friends Features Toss Mod APK: Elegant graphics and beautiful animations; Reaction.
